

Statement of Consent

The use of images is essential for the progress of science and medical treatment.

For this reason, I hereby grant my consent for the *Oral&Implantology* to use all images produced as a result of my treatment for scientific or educational purposes, even though my identity may be recognized. This includes the publication and reproduction in scientific journals, textbooks, scientific documentation, and electronic media forms (e.g. educational film, CDROM, DVD, electronic paper, databases, internet, etc.)

This also includes usage as a cover illustration or for advertisement of such publications.

I also grant consent to link the illustrations with the clinical picture and medical therapy.
